Finished Lantern!

Assembly Instructions

1. Print on cardstock.
2. Cut along dotted lines.
3. Roll into a cylinder and attach tabs.
4. Add wings, arms and glue.
5. Insert a battery-operated LED light.
6. Hang and enjoy!

Helpful Tips:

- Use cardstock for best results.
- Try battery-operated LED tea lights or small lights.
- Hang with clear string or fishing line for a floating effect.
- Keep lights cool and safe.

The Bugga Bunch wishes you a bright and joyful Christmas!
